

*Welcome from the Principal*

Thank you for your interest in considering the various employment opportunities available at Nagle Catholic College in Geraldton.

The College is an integral component of the Mid-West Region being the only Catholic Secondary School (Years 7-12) in the area. Nagle is well regarded in the community and this is reflected in the current enrolment of nearly 1200 students.

The professional climate of the College is engaging, vibrant and contemporary. Learning areas and individual teachers engage in goal setting to enable them to develop and improve their professional capacity. New graduates work with a mentor who takes particular interest in their success in the classroom environment.

Staff at the College are welcoming and friendly and the geographical location of the College often results in lasting friendships being established outside of the normal working situation.

The Executive of Nagle Catholic College believes that the staff are a valuable resource, hence the College is committed to providing each person with the relevant and necessary professional development opportunities to ensure their ongoing professional enrichment.

Applications for employment are welcomed from individuals who believe that they resonate with the mission of the College, are able to build successful interpersonal relationships, enjoy being collaborative and who are prepared to accept both responsibility and accountability in their role.

Should you wish to know more about the College, please feel free to initially contact myself or any member of the Executive. A tour of the College can easily be accommodated.

Yours sincerely,

A handwritten signature in black ink that reads 'Rob Crothers'. The signature is written in a cursive style and is positioned above a horizontal line.

Mr Rob Crothers

Principal
