

**NAGLE**  
CATHOLIC  
COLLEGE  
EST 1994

Good evening everyone,

In 2019, the Nagle P&F saw a small but dedicated bunch of Parents meet several times throughout the year on a Wednesday evening to discuss the distribution of the P&F levy, the goings on around the school and enjoy each other's company over drinks and nibbles.

I would like to thank Vice President Jo Luxton, P&F Representative to the Board Kyle Pollitt and members Peta Shephard, Lezlie Saunders and Michele Young for their wonderful commitment over the year. Thank you also to the school staff members Sarah Boyle for her Secretarial duties and Marie Masotto for her Treasurer duties for the P&F (this takes the pressure off parents and allows year to year follow on in regard to paperwork and financials).

Some of the projects the P&F have supported this year include:

- A printer and musical instruments for the Arts Department
- A projector for the Technologies Department
- Pots, Sandwich Press and Hand Beater for the Canteen
- 'Clickers' for the English Department
- Bikes for Outdoor Education
- Football uniforms for the Physical Education Department
- Funding for a staff wellness space

There was also four P&F events held this year:

- Year 7 Tabloid Games
- Year 8 Grandparents' Morning Tea
- Year 9 Fathers' Day Breakfast
- End of year Teachers' Thank you evening

2019 is a year of goodbyes as we farewelled our Principle Rob Crothers who attended all of the P&F meetings and many of the events. I would especially like to thank Peta Shephard for her many years of helping out at the P&F, this being her last year with children at the school. It is also my last year as a Nagle parent as all three of my children have now finished.

I highly recommend any parent or friend to join the Nagle P&F as I have learnt so much more about the school than just dropping off and picking up my children – there is so much that happens at the school that is done for our children without us realizing – Nagle has a dedicated and caring staff that go above and beyond to help out and I am glad I have been able to learn more about our school community.

Tracey Basile  
Nagle P&F President of 2019
