

Good evening everyone.

In 2018, the Nagle Parents' & Friends' Association (P & F) was represented by myself as President, Angie West as Vice President, Lezlie Saunders as Secretary, Christine Surtees as Treasurer, Jo Luxton as the P & F Representative to the Board, Peta Shepherd and Hayley Morris as Committee Members and Rob Crothers who attended every meeting to keep us up to date with the goings on around the school. This year has also seen the inclusion of Sarah Boyle (Principal's Personal Assistant) to help out with the role of Secretary and Marie Masotto (Business Manager) to help out with the Treasurer role (and to update from a written cheque system to online banking).

We held four events for the year: The Year 7 Tabloid Games which was well attended by both students and families; The Year 8 Grandparents Morning Tea organised by Peta Shepherd who did a fantastic job bringing together students, grandparents and staff for scones and tea in a real tea cup; The Year 9 Fathers' Day Breakfast with an early morning bacon and egg roll; and the Staff Thank You Sundowner that Lezlie Saunders pulled together for all to enjoy drinks, nibbles and fun giveaways.

We saw the year in with a contribution towards the Staff Room renovation which now looks inviting and feels much more productive. Then we helped out the Library with alterations and new furniture for students and teachers to utilise. We also put money towards a raffle for nine families to win \$1,000 off school fees, the online school Newsletter, East Timorise school children, a staff wellness program and at the end of the year we decided to pay for renovations to the Study Hall which was very outdated.

I would like to thank everyone involved in the 2018 Parents' and Friends' Association and look forward to 2019.

Mrs Tracey Basile
